

Introduction to the Bible

Course Description

This class serves as a survey of the Old and New Testaments. We will spend about two-thirds of the year in the Old Testament and the remaining third covering the general epistles of the New Testament. The remainder of the New Testament (gospels, acts, and Pauline epistles) will be covered in greater depth in sophomore and junior Bible. Throughout the year the student will learn the major themes of these books of the Bible and how they fit into the greater meta-narrative of the Bible.

Class Materials

Every day, students are required to bring to class their own Bibles, paper, and pencil or pen. Failure to do so will affect one's ability to do well on the quizzes.

Coursework

Quizzes (50%) – Generally one every Friday over the week's material

Homework (50%) – Usually one assignment per week

Exams – There will be two exams in the class one cumulative examination at the end of each semester over the semester's material (grade is factored in separately at the end of the semester)

Late/Missed Work

- All work is considered late if it is not handed in by 3:00 pm on the day it is due.
- All work turned in after the due date will receive a 50% grade reduction.
- Printer malfunction is not an excuse for late work. Any assignment that a student is not able to print may be emailed to me or brought to me on a flash drive by the due date.
- If a student has an excused absence on the day a homework assignment is due, then it must be turned in on the first day he/she returns to school.
- If a student has an excused absence on the day homework is assigned, then the due date is extended according to the number of days absent.
- Unless I have personally said otherwise, all students take the quiz every Friday.
- If a student misses a quiz due to an excused absence, the quiz must be made up within two days after the student returns unless their absence was the majority of that week.
- If a student misses any days during the week due to an excused absence, it is the student's responsibility to see me on the day he/she returns to find out what was missed in order to make up the homework and/or quiz.

Attendance

- A student is considered tardy if he/she walks in the door after the bell rings. When the bell rings, students are expected to already be in their seats. Students will also be marked tardy if they ignore the bell and cause classroom delay.
- If a student is late to class, he/she must provide a pass or be marked tardy. No exceptions.
- Permission to use the bathroom will only be granted within the first five minutes of class.

RenWeb

Each student can monitor his/her own class grades through the RenWeb system. Grades for homework assignments and quizzes will be posted weekly on RenWeb.
